QUALITY

First-article, in-process and pre-shipment inspection with dimensional reports (line watch). Any certification referenced is held by partner factories and named with the quotation; it is not held by this entity.

DIFFERENTIATORS

- Principal-led: Jack Cheng answers inquiries, calls and texts himself. No sourcing agent in between.
- Own engineers, assemblers and production people, plus qualified partner factories in Taiwan and Vietnam.
- English with the client, Mandarin on the factory floor; Vietnamese translators work with the inspectors in Vietnam.
- Starts from an idea, a sketch, a drawing, a photograph or a physical sample; prototype through production volumes.
- NDA before drawings, written tool ownership, nameplate and custody record.
- Taiwan-origin goods are outside the China Section 301 lists. Origin is substantial transformation, not the port.
